Nestled in the Sierra Nevada Mountains and surrounded on all sides by stunning National Forest, it is easy to see why so many consider Camp Hi-Sierra their home away from home. It is no surprise that Hi-Sierra has been providing life changing experiences for 70 years, because of our friendly and knowledgeable staff and unique program offerings.

This summer is a special one as we will be celebrating both our 70<sup>th</sup> anniversary AND unveiling our brand-new dining hall and kitchen! This will be a summer to remember and we hope you and your troop will come share it with us.

To accommodate the demand, the 2019 season will have six weeks, running from June 23<sup>rd</sup> to August 3<sup>rd</sup>. Requests for specific campsites are already coming in, with one week already full, so please turn in your reservation form as soon as possible. You can see current availabilities on the CHS Website: [camphi-sierra.org](http://camphi-sierra.org).

## WHAT PEOPLE ARE SAYING ABOUT CAMP HI-SIERRA

*"Food was good! Staff was kind, helpful and knowledgeable. It was nice to come back to camp!"*

*"Very intelligently designed. Program areas close together so to get from one event to another did not take a long time. Scouts were able to efficiently get many merit badges due to structured way programs were run."*

*"Awesome staff. Can't say enough about these wonderful people! Thank you for a wonderful camp week experience! Our scouts now have memories for a lifetime!"*

*"Best camp I've been too. My scout too. Opinion of a camp colleague who has been going to BSA camps for the past 15 years."*

*"Staff is terrific. Great camp...we will be back!"*

*"I had a great time and more importantly, so did my scouts. We have been a Camp Oljato troop for years. I think you won us over."*
